Resolution:	fixed			

Description

Dans la VM, certains syscalls correspondant à des opérations sur des [[WordXX]] ne sont pas implémentées.

Par exemple:

- sc32_bit_less
- sc32_bit_less
- sc32_bit_slessoreq
- sc32_bit_sless
- sc32_bit_plus
- case sc32_bit_times
- case sc32_bit_opp

Status about this ?

#3 - 10/18/2007 06:25 AM - Alain Prouté

I'm currently working on this question.

#4 - 04/17/2008 10:58 PM - Alain Prouté

They are implemented, but the set of tests in library/tests/system/wordXX.unit_test.anubis should be enriched.

#5 - 07/21/2008 01:33 PM - Anonymous

- Status changed from Assigned to Closed

- Resolution set to fixed

Since these functions have been implemented and it seems to be not bugged up to today, this bug is closed.
