Description

Forbidding tabulators in Anubis text will avoid problems with editors of various editors showing tabulators of various widths.

History

#1 - 09/21/2007 08:27 PM - Alain Prouté

- Status changed from New to Closed

- Resolution set to fixed

The compiler has been modified so that it does not accept any tabulator. A tool for replacing tabulators by sequences of white spaces may be found in the directory **'tools_dev/tab2spaces'**.
